

Meyer®

PROFESSIONAL
EQUIPMENT WITH

4 SEASON

PERFORMANCE

Our growing line of moldboards and all-season spreaders mean you have more options for your landscaping, contracting and agricultural arsenal. Meyer has the right equipment to turn your compact tractor, skid-steer loader and utility vehicle into productive all-season performers. Our Universal Mount and Three-Point Hitch allow you to use skid steer and compact tractors all-season long and for a variety of applications. Whether you need to plow snow or spread salt, sand, seed or fertilizer, Meyer has the reliable solution to maximize your time, manpower and equipment investment.

MULTI-PURPOSE PLOW

MAXIMIZE YOUR EQUIPMENT ALL-YEAR-ROUND

Meyer Multi-Purpose moldboards are specifically designed to utilize your existing skid steer and compact tractors to maximize your productivity all-year-round. The Meyer Diamond Edge technology on the Multi-Purpose plow virtually eliminates equipment damage, while minimizing load drop and providing dependable plowing performance.

MEYER MATE & MINI JR.

YEAR-ROUND SPREADING APPLICATION

The Meyer Mate and Meyer Mini Jr. Spreaders are ideally suited for all season performance. Both fit on equipment utilizing category one 3-point hitches. The Mate is ideal for spreading salt, sand, fertilizer and seed. For year-round applications, the Mini Jr. spreads salt and some fertilizer. Each unit is powered by a 12-volt motor for a 3' – 30' spread width.

HOTSHOT/HD

BROADCAST SPREADERS

Meyer Hotshot and Hotshot HD are compact, tough and built to handle the extreme temperatures, moisture, and corrosive materials typically found in year-round grounds maintenance use. Both are specifically designed for Topdress Sand, Icemelt, Limestone and Fertilizer applications.

UTILITY LPV

UTILIZE YOUR UTILITY VEHICLE

Whether you are top dressing turf* or spreading salt for snow and ice control, the Meyer Utility LPV is designed for all-season performance and reliability. This unit has spread widths from 4' to 20' and is available with either a maintenance free 12V electric motor or a reliable 6.5 hp gas engine.

* requires optional belt over chain conveyor

H.A.T. CUSTOM MOUNT

EXTEND THE LIFE OF YOUR FULL FRAME TRACTOR

Meyer H.A.T. Custom Mount is made especially for full frame tractors and can operate the moldboard off the tractor's hydraulics* or Meyer Electro-Lift power units.

* may require additional manufacturer's valves
